Dear Parents and Guardians,

RE: Pre-School Hours/Core Offer Consultation

I hope this letter finds you well. I am writing to inform you about an important consultation regarding changes to our pre-school hours and core offer, which we believe will better serve our local community based on your valuable feedback.

As a result of community input, we propose the following key changes to our pre-school schedule, effective from September 2026:

- The pre-school day will run from 8:45 am to 3:15 pm, providing 6.5 hours of care each day.
- We will offer flexible attendance options ranging from 2 to 5 days per week, with a minimum requirement of 2 consecutive days.
- A Wednesday half-day option will continue to be available, with revised timings of either 8:45 am to 11:30 am or 12:45 pm to 3:15 pm.

The proposed Pre-School Admissions policy is now on our website, along with the link to provide feedback on the changes.

The timeline for this consultation is as follows:

Tuesday, 31 March: Consultation opens

Tuesday, 12 May: Consultation closes

Tuesday, 19 May: Policy, along with any amendments, will be sent to governors for ratification

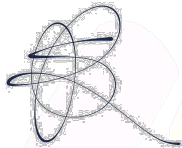

Friday, 22 May: Policy published

September 2026: New hours of operation and core offer begins

We believe these changes will enhance our pre-school experience and provide greater flexibility for families. We encourage you to participate in the consultation process, as your opinions are crucial in shaping our services.

Please feel free to reach out if you have any questions or concerns regarding these proposed changes. We appreciate your continued support and look forward to your feedback during the consultation period.

Yours sincerely,

Sam O'Regan
