Reading

Later this term....

Children will begin with picture books. This is an opportunity to begin a reading routine in preparation for when children bring home texts with words. This will build confidence and consistency.

It is our recommendation that children should be reading daily where possible. The expectation is that children read **a minimum of 4 times a week.**

Phonics / writing

Healthy Snacks for Playtime

In the Early Years and Key Stage One, the children are provided with a free piece of fruit or vegetable via the Government scheme.

In Key Stage Two, children need to bring a piece of healthy snack for breaktime. This should be a piece of fruit or vegetable.

bookbag, contact the office for the price.) • Filled Water Bottle • Library book on library days	Ultra processed snacks are high in sugar, even those that are advertised as '1 of your 5 a day'. NHS advice states children aged 7-10 should have no more than 24g of free sugars a day. Due to the processing, reconstituting and reblending of ingredients to create fruit winders, these snacks contain high amounts of free sugars. For example, Bear Fruit Yoyo, strawberry contains 8g of sugar. This equates to one third of the recommended daily allowance. For this reason, with consideration to Article 24 (children have the right to healthy food) we ask that these are not brought to school as they are not considered a healthy snack due to the high sugar content. It also creates littering problems with the excess packaging.
