Value of the
Month for June:

Empathy

Dear Parents, Carers, and Members of Our School Community,

Welcome to our Term 6, Week 3 newsletter.

It has been another busy and successful couple of weeks at school, and I would like to take this opportunity to celebrate some of the wonderful events that have taken place recently.

Our Summer Fair was a fantastic success and a wonderful example of our school community coming together. On behalf of everyone at the school, I would like to extend a heartfelt thank you to FOSET for their hard work, commitment and organisation in making the event such an enjoyable occasion. I would also like to thank all the parents, carers, staff, volunteers and members of our wider community who supported the event through donations, attendance and helping on the day.

A special thank you goes to Nigel Fudge Estate Agents for their generous sponsorship of the Summer Fair. Their support helped make the event possible and is greatly appreciated.

I am delighted to share that we raised an incredible total of **£1700**. These funds will be used to support a range of exciting projects across the school, including our much-anticipated playground development project, which will further enhance opportunities for our children to learn, play and thrive.

I would also like to thank Jim for organising our highly successful Sports Days. It was wonderful to see so many parents and carers attending and supporting the children. The enthusiasm, teamwork and sporting spirit displayed by all our pupils were a credit to themselves and the school.

A further thank you goes to Beth for coordinating our Cultural Diversity Day. The day provided valuable opportunities for children to celebrate, learn about and appreciate the rich diversity within our school and wider community. It was fantastic to see the children so engaged and eager to share their experiences and learning.

Last week, we were especially proud of our Year 1 children, who approached their statutory Phonics Screening Check with confidence, determination and positivity. We are equally proud of our Year 4 pupils, who completed the Multiplication Tables Check and demonstrated great resilience and focus throughout the process. Well done to all the children involved and thank you to the staff who supported them throughout the year.

This week, we were delighted to celebrate Outdoor Classroom Day, giving children the opportunity to take their learning beyond the classroom and experience the many benefits of outdoor education.

Our Year 6 pupils have also returned from their PGL residential camp, and what an amazing time they had! They embraced every challenge, showed great teamwork and resilience, and created memories that will stay with them for years to come. A huge thank you to the staff who supported them and helped make the experience so special. Thank you, as always, for your continued support. Together, we continue to create a thriving and successful school community where every child can flourish.

FOSET

FoSET would like to say a heartfelt thank you to everyone who attended or donated to the Summer Fair. A special thanks to our incredible parent/carer and staff volunteers, without whom we could not have run the event.

We are excited to announce that we raised very close to £1,700 at the Fair to contribute towards the continuing improvement to the playground facilities for the children. Our latest fundraising focus is outdoor shelters that provide sun/rain protection and creative learning/play opportunities, with an ambitious fundraising target of about £10K to be able to purchase a large outdoor pergola with seats and a play den. So, all money raised is really appreciated by FOSET, the school and the children.

We would like to offer a special thanks to our main sponsor Nigel Fudge Estate Agent <https://nigelfudge.exp.uk.com/>

We would also like to thank the following organisations:

Beaverscapes who sponsored the plant stall <https://www.beaverscapes.co.uk/>

Wild About Flowers who donated flowers for the craft <https://wild-aboutflowers.co.uk/>

Tesco's for supplying strawberries <https://tesco.com>

Keynsham Coffee Co for braving the rain and providing hot drinks at the front of the school! <https://www.facebook.com/KeynshamCoffeeCo>

We would also appreciate feedback about the Fair. Please complete this short form to give us your comments.
