

Meet your teacher!

Hello, my name is Fadumo and I can't wait to meet you all soon!

About me

I love to read; reading is one of my favourite things to do. I enjoy getting lost in a good story and discovering new adventures through books.

I have recently learnt how to swim! I'm not very good at it just yet, but I am working hard to get better and I'm not giving up.

I love to move my body and keep active through exercise. I have recently started running, and I'm hoping to run my very first 5K soon! I believe that trying new things, practising and keeping going can help us become better at the things we enjoy.

In your new classroom...

In Pre-School, we learn through lots of fun and exciting play. We love exploring, trying new things, challenging ourselves and learning how to be kind and caring friends.

When you come into our classroom, you will find lots of exciting things to play with and explore. There will be lots of fun activities for you to enjoy, including some that might get you a little bit messy! We have dinosaurs, cars, dressing-up clothes, building blocks, babies and lots, lots more!

We also have a fantastic outdoor area that we share with Reception. There are lots of exciting things to explore outside, including water play, our mud kitchen and the climbing frame.

We love playing outside in all kinds of weather, so don't forget to bring your wellies and some spare clothes!
