Introductions

& Headteacher Welcome

Educate Together Ethos

The Educate Together Charter sets out four main principles that all schools will be:

- Equity based
- Aspirational
- Child-centred
- Collaborative

Equity Based– Through being equitable in our work, all children and staff will have equal access to their rights and, regardless of background, all will be equally respected.

Child- centred – Children are at the heart of every decision and activity. Their voices are actively sought and listened to. They play a lead role in shaping their education.

Aspirational – All of our children have the right to a holistic world class education. All of our work aims to ensure that every child can make progress and achieve well in every aspect of their education.

Collaborative— Our schools aim to be central to the communities they serve. As such, we look for opportunities to give voice to and work in partnership with all stakeholders of the schools.

Our Curriculum

EYFS & Learn Together

Learn Together & Child Rights

- Taught alongside, and interwoven within EYFS & National curriculum
- Develop the knowledge, skills, values and attitudes that will facilitate them to live as ethical people who are empathetic, socially aware and committed to democratic principles and values, global citizenship, and equality.
- Aligns closely with UNICEF CRC.

We Are All Different

The pupils will be enabled to:

- Identify their own unique physical traits e.g. skin, eye or hair colour, height, etc.
- Identify their own abilities and talents.
- Articulate their character traits such as I am fun, I am kind, I am generous, sometimes I am sad and sometimes I make mistakes.
- Demonstrate an understanding that individuals have many facets of identity and that these may change over time e.g. class member, daughter / son / child, friend, dancer, artist, athlete, pet owner etc.
- Demonstrate an understanding that everyone is different and that difference is a powerful and positive attribute.

Exploring the Natural World

EYFS

The pupils will be enabled to:

- Carry out an exploration of the natural world around them by engaging in research about a bird / animal / plant / tree or another form of life in their environment.
- Participate in an environmental audit of their school or local area by going on an organised walk considering the sights and sounds experienced and the names of trees, plants and flowers etc.
- Articulate the importance of caring for nature and the positive benefits of interacting with the natural world such as excitement of seeing wildlife, walking through nature, listening to bird song, exploring rock pools etc.

Tips for Parents/carers

- Talk about school with your child
- Read often
- Wear comfortable clothing and sensible footwear
- Label, label, label
- Independence skills
(dressing, toileting and washing)

Attendance

Article 28: Every child has the right to an education.

A rate of 95% – 100% is the expected attendance of a child in the school. Children who attend this amount of time are likely to reach their full potential in education and go on to college and university.

Therefore it is really important that your child attends school every day.
