

Meet your teacher!

Hello everyone, my name is Becca, and I am going to be your teacher in Reception Class when you start school in September. I am so excited to meet you all and cannot wait to start your learning journey together.

About me

I have worked within Education for over 16 years now, and for 5 of those years I have been working here at Somerdale!

Some things I like to do in my spare time are swimming, shopping, spending time my friends and family and going to new, fun places with my daughter, Mia.

I love animals, and at home we have a 1-year-old cat named Koa, he is mischievous and a lot of fun!

I can't wait to learn about you and what you love to do!

In your new classroom...

You will find lots of fun things to play and learn in your new classroom.

We have an outside area to explore, including a mud kitchen, sand box, construction and water wall. There are also lots of fun things inside, including Lego, role play area, animals, cars, painting, big blocks and a cosy area to relax and enjoy books in.

I have planned lots of fun and exciting ways to learn and grow at school and I hope you will feel safe and cared for here at Somerdale Educate Together.

We cannot wait to share new adventures with you.
See you soon!
