Enquiry Questions this term: How can we get to space?

Put on your helmets little astronauts, this term we are blasting off into space! What will we find far into the sky? Planets, shooting stars, the moon... and so much more. Strap in for lots of adventures and share your enquiry questions so we can find out everything we want to about space!

If you or a family member have anything interesting to contribute to our learning, do let me know, we would love to have your contributions. Do you or someone you know have personal experiences or knowledge around NASA, space, Earth or space museums? 😊

Reading

It is our recommendation that children should be reading daily where possible. The expectation is that children read **a minimum of 4 times a week**.

Phonics / writing

We will be following the Little Wandle phonics scheme. Term 5

– Phase 4

Please revisit phase 3 sounds and tricky words as much as you can at home. This is through fun, engaging, interactive activities (*please let me know if you need any ideas*) – Also any opportunities to write are fantastic whether that is a card, letter, instruction, story, funny joke, labels, shopping lists... (children should be writing phonetically, so no need to correct spelling mistakes at this stage, we are looking for independence and confidence. Eg if they want to write 'I stayed at Nanny's house' and it looks like 'I staid at nanees hows', that is exactly what we would expect 😊 Thank you for your continued support!

Healthy Snacks for Playtime

In the Early Years and Key Stage One, the children are provided with a free piece of fruit or vegetable via the Government scheme.

Ultra processed snacks are high in sugar, even those that are advertised as '1 of your 5 a day'. NHS advice states children aged 7-10 should have no more than 24g of free sugars a day. Due to the processing, reconstituting and reblending of ingredients to create fruit winders, these snacks contain high amounts of free sugars.

For example, Bear Fruit Yoyo, strawberry contains 8g of sugar. This equates to one third of the recommended daily allowance.

For this reason, with consideration to Article 24 (children have the right to healthy food) we ask that these are not brought to school as they are not considered a healthy snack due to the high sugar content. It also creates littering problems with the excess packaging.
