

# Meet your teacher!

Hi! Most of you will already know that I'm Sonia and I can't wait to be your Year 4 teacher.

I have been a teacher for over twelve years now and have lots of exciting topics and lessons to teach you all. I especially love reading and teaching through stories; some of my favourite authors are David Walliams, Michael Morpurgo and Roald Dahl. I wonder who your favourite authors are.

## About me

Before Somerdale, I was a teacher at a British International School in Thailand. I was so lucky to live there for a few years and I have been able to travel to some amazing places. Some of the interesting places I have visited are Vietnam, New Zealand and of course, lots of beautiful Thai islands.

Besides travelling, I love being outdoors. I grew up in Cornwall so was lucky to have the beach right on my doorstep. I also enjoy running and reading.

Some of my personal Year 4 highlights are the Bristol Sport trip to Ashton Gate stadium, Science Week, reading Varjak Paw in English and of course the end of year production.

I can't wait to get to know you all better and learn a little bit more about what you like to do and your interests and hobbies.
