

Meet your teacher!

Hello everyone, my name is Saffy and I am going to be your teacher in year one! I am so excited to meet all of you and to begin a fun and exciting year full of learning, play and curiosity with you all!

About me

I completed my PGCE teacher training course last year and during that I worked in two different wonderful school settings; one of them being Somerdale Educate Together. This is my first year as a full-time teacher and I am very excited to be learning with you all.

In my free time and on the weekends, I love reading and swimming.

One of my favourite things to do is go to the beach for a long dog walk and a swim with all my family.

I can't wait to meet you all and hear all about what your favourite things to do are!

In your new classroom...

In your new classroom you will find lots of new fun learning resources to explore.

We have a provision area with various small world parts including dinosaurs, props, Lego and building blocks to learn and play with.

We have a cosy calm area where you can read a story and have calm time. I have got lots of fun and exciting planned for us to learn and explore throughout the year and I hope you will feel safe and happy at Somerdale Educate Together.

We cannot wait to begin our new adventures with you!

See you soon!
