

Through an enquiry approach, our curriculum is responsive. We nurture, develop and build on children's interests and passions; make links to their local environment so that learning is relevant, lifelong and builds the broad skills and knowledge for the world ahead. With an ethical focus in which children learn about rights, through rights and for rights, our children have the confidence to question the world around them, allowing them to be active participants to shape their community. Our children are stewards of the environment, developing strong core moral values which celebrates openness, diversity, and equity.

This document provides an overview of the planned sequence of learning for a term. Actual teaching and timings may differ as teachers adapt teaching and learning opportunities as they teach to ensure teaching is responsive to children's needs.

Subject/Area/Focus	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Key Events/ Assessments	INSET: Monday				National Poetry Day	Beginning of BHM Learning Plan Meetings Blaise Castle Trip	World Food Day Learning Plan Meetings	Parent Evenings
School Values	September: Responsibility, October: Respect							
Unicef Rights Respecting Schools – Main Focus Click here for more information	Article 24: All children have the right to safe water to drink and nutritious food.							
Main Enquiry Questions	<i>Learn Together and DT: "I wonder where my food comes from?". History: "How is now different to when our parents or grandparents were little?"</i>							
Learn Together, including RE	SETTLING IN TO YEAR 1	Demonstrate an appreciation of the benefits of sharing food while interacting with others. Science	SETTLING IN TO YEAR 1	Introduce enquiry question: I wonder how my favourite animal is different to other animals?	Identify and name a variety of common animals: fish and amphibians	Identify and name a variety of common animals: mammals and reptiles	Identify and name a variety of common animals: birds	Can you research some facts about your favourite animal? (iPads?)	Observe changes across the four seasons, describe weather and day length - AUTUMN	Observe changes across the four seasons, describe weather and day length - AUTUMN

History	SETTLING IN TO YEAR 1	Exploring different types of houses. Know that present is something happening now.	Homes in the past – what is different? Past is something that has already happened. Language: decade(s)	Know and compare technology in houses now and in the past e.g. washing machines/tumble dryers Outdoor toilets Coal fires/central heating	What are toys like now? Can you describe them? What materials are they made of? How do they work?	Compare toys past and present (Blaise Castle Toy Workshop). Are the materials/colours different? Function – mechanical to electronic	Making a timeline: When did the toys change? Can we put them in order from oldest to newest?	Toy comparisons: Choose two toys (past and present) Can you tell me about the differences between them? (Video or captions).
Design and Technology	SETTLING IN TO YEAR 1	Exploring a range of products with levers and sliders – what is it? Who is it for? What is it for? Introduce vocabulary: lever, pivot, slider, left, right, push, pull, up, down, forwards, backwards, in, out.	Demonstrate a simple slider in a book How does the slider move? Chn to attempt making a simple slider	Making Levers: Demonstrate a simple lever How does the lever move? Where is the pivot? Chn to attempt making a simple lever	Making mock-ups: Chn to attempt to build their design: Is there anything that needs to be adapted? Is there anything you'd like to add? Does it meet your purpose and audience?	Making sliders and levers Discuss finishing techniques e.g. paint, pens, collage etc Discuss order to make mechanism	Evaluation of sliders and levers: What went well? Was there anything that was challenging? Would you do anything differently next time?	Preparing fruit and vegetables – making a fruit salad Hygiene – washing hands before handling food Who is it for? What do we need to check first (allergies/preferences etc)?
Computing	SETTLING IN TO YEAR 1	Technology in our Classroom	Using Technology	Developing Mouse Skills	Using a computer keyboard	Developing keyboard skills	Using a computer responsibly	Can you make a poster on the laptop to promote using technology safely?
Music	Singing: Remembering Simple Songs -	Singing: Remembering Simple Songs -	Singing Remembering Simple Songs – counting in	Singing Remembering Simple Songs – following visual cues (louder and quieter)	Singing Remembering Simple Songs – following visual cues (louder and quieter)	Listening – experiencing recorded music. How did it make you feel?	Listening – comparing and contrasting different music genres	Singing and Remebering Songs – counting in and following visual cues
