

Through an enquiry approach, our curriculum is responsive. We nurture, develop and build on children’s interests and passions; make links to their local environment so that learning is relevant, lifelong and builds the broad skills and knowledge for the world ahead. With an ethical focus in which children learn about rights, through rights and for rights, our children have the confidence to question the world around them, allowing them to be active participants to shape their community. Our children are stewards of the environment, developing strong core moral values which celebrates openness, diversity, and equity.								
This document provides an overview of the planned sequence of learning for a term. Actual teaching and timings may differ as teachers adapt teaching and learning opportunities as they teach to ensure teaching is responsive to children’s needs.								
Subject/Area/Focus	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Key Events/ Assessments	INSET: Tues, Weds		Day of Democracy Listening team election		Poetry Day (Thurs)	Learning Plan Meetings	World Food Day Learning Plan Meetings	Parent Evenings Photos
School Values	September: Responsibility, October: Respect							
Unicef Rights Respecting Schools – Main Focus Click here for more information	Article 12: Children have the right to give their opinions freely on issues that affect them. Adults should listen and take children seriously.		Article 15: Children can join or set up groups or organisations and meet with others as long as this does not harm other people.					
Main Enquiry Questions	Geography: “What impact do we have on our local area?” Science: “How do we use electricity”							
Learn Together, including RE	Classroom charter Select and research a number of rights enshrined in the Convention on the Rights if the Child.			Philosophy for Children (Over final half of term)		Demonstrate an understanding of how the democratic process works within the school by exploring the structures of e.g. the Student Council, Green Flag Committee, Active Flag Committee etc.		
Focus Text	The Black Dog by Levi Pinfold							
Phase and key objectives	Phase 1: Opening experience Teaching key vocabulary Reading and immersion in text Speaking and listening Book talk Grammar skill 1 Writing opportunities	Phase 2: Writer talk Analysing author’s style Identifying organisational features Identifying language features Exploring key events, themes, characters Grammar skill 2 Writing opportunities	Phase 3: Planning (mapping/boxing up) Oral rehearsal Modelled and shared writing Drafting Feedback and target setting Editing and revising	Continuation of phase 3	Phase 1: Opening experience Teaching key vocabulary Reading and immersion in text Speaking and listening Book talk Grammar skill 1 Writing opportunities	Phase 2: Writer talk Analysing author’s style Identifying organisational features Identifying language features Exploring key events, themes, characters Grammar skill 2 Writing opportunities	Phase 3: Planning (mapping/boxing up) Oral rehearsal Modelled and shared writing Drafting Feedback and target setting Editing and revising	Continuation of phase 3
Main Grammatical Focus		Prepositions	Expanded noun phrases	Verbs for movement and speech	Coordinating conjunctions	Apostrophes for possession	Past tense focus	
Phonics/Spelling		Step 1: Words that are homophones	Step 2: Words with the prefix ‘in-’ meaning ‘not’	Step 3: Words with the prefixes ‘il-’, ‘im-’ and ‘ir-’	Step 4: with the prefix ‘sub-’ meaning ‘below’ or further	Step 5: Words with the prefix ‘inter-’ meaning ‘between’	Step 6: Challenge Words

Science	‘What do you already know about electricity?’ session. Pre-assessment	Identify common appliances that run on electricity.	Recognise some common conductors and insulators, and associate metals with being good conductors.	Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers. Identify whether or not a lamp will light in a simple series circuit.	Recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit. Recognise some common conductors and insulators, and associate metals with being good conductors (investigation)	Investigation write up	Construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers. (building own circuit)	End of block assessment
Geography	What is an urban environment? Cause and effect of pollution	Clean air zones – what are they? What is the purpose?	Fieldwork – designing surveys to assess traffic	Fieldwork – traffic survey	Write up results and analyse data	Questionnaire to staff/pupils/parents linked to fieldwork findings	Analyse results from questionnaire	Ways to reduce pollution
Art & Design	Introduce artists	Drawing warm up	Illustrate a narrative	Illustrate a narrative	Illustrate a narrative	Share, reflect, discuss
