

# Meet your teacher!

Hello! I'm Beth and I am super excited to be your Year One teacher in September.

## About me

This will be my second year as a Year 1 teacher and I cannot wait to learn and explore alongside you, having lots of fun! I have a busy summer ahead getting ready so we can have an amazing time in September!

I love to go travelling during the holidays and explore lots of different places! I like to sing, read and bake all sorts of yummy things! I often go home to visit my parents in Devon and spend time helping them on the farm. I also love to go on walks with my dog, Milo!

I can't wait to teach some of you again from Pre-School and to meet some new children too!

## In your new classroom...

You will find lots of games and resources that you know from your reception classroom, as well as some exciting new things to play and learn with.

We have an outside area we can learn in and lots of fun things inside, including Lego, big blocks and a cosy area to relax and enjoy books in. The classroom may look a little different from the picture below but these are the sort of things you will find!

We are going to have so much fun, learning and laughing together! I can't wait to be part of Otters!
