

Meet your teacher!

Hi Bumblebees!

I am so excited to have the chance to teach Hedgehogs in September! Berna has been telling me about how incredible you have been with your learning in Year 2.

We are going to have a great time in Year 3 together, and there is some really interesting learning planned for us!

In your new classroom...

You will find lots of familiar things in Year 3.

We will have a brilliant cosy reading area, and lots of other things to enjoy and to learn with.

We have lots of maths resources, dictionaries and other great things to help us with our learning.

About me

I have been teaching for over 15 years and I love making learning fun. I really enjoy nature and I spend lots of time in my garden – it is now full of plants, flowers and wildlife!

I love reading, visiting Cornwall, walking and spending time with my two nephews, George and Noah.

I am looking forward to getting to know you all even better in September.
