

# Term 6 Newsletter Bumblebee Class

Dear Families,

We can't believe it's Term 6 already, we've had such fun with your children this year, with more to come this term including our trip to the beach, and a visit from some beekeepers with some actual bees! Should you have any questions or worries, Tiarna or Sam are here to help. For longer conversations, please do send an email to [info@somerdaleet.org.uk](mailto:info@somerdaleet.org.uk), and we can arrange a time.

## The Year Three team:

Tiarna Lloyd Class Teacher Mon, Tues & Wed AM	Sam O'Regan Class Teacher Wed PM, Thurs, Fri	Sonja Skuse LSA Mon, Tues, Wed	Jenna Garcia LSA Thurs, Fri
---	--	--------------------------------------	-----------------------------------

## Enquiry Questions this term:

This term we have two main enquiry questions, one with a geography focus, the other with a science focus.

As Geographers we will be exploring "What would you see if you were at the seaside?"

As Scientists we will be exploring "What do plants do and what do they need?"

Please see our medium term overview for more information.

## Rights Respecting Schools

This term we will focus in particular at these rights:

Article 22 – Refugee Children

Article 13 – Sharing thoughts freely

Article 34 – Protection from inappropriate touch

## Teaching and Learning This Term

Our medium term overview is now available on the class page of our website.

[Please click here to view the overview for this term. \(Y3\)](#)

## Home Learning

### Reading

It is our recommendation that children should be reading daily where possible. The expectation is that children read **a minimum of 4 times a week**.

### Spelling

Children are expected to log in to Spelling Shed and play the games set as Assignments by their teacher. A new spelling list and set of assignments will be set each Monday after followed by a spelling quiz the following Monday in school.

The focus for spelling patterns are found on our medium term overview (see above link). Please follow the link on the overview to see the word lists for each week.

[Spelling Shed Home Use \(For weekly spellings including interactive games\)](#)

[Access Letter Join at home to practice letter formation and spelling. Available on desktop, laptop and tablet.](#)

### Maths

Children are expected to practise key number facts at home regularly.

In Key Stage 2, the expectation is that children practise their time tables at home. In Year 3 we learn 36 facts, in Year 4 we learn 21 more facts.

Year 3: 2x, 5x and 3x.

Year 4: 4x, 6x, 8x, 7x, 9x, 11x, 12x

### TTRS for Key Stage 2

In upper key stage 2, children should continue to practise these facts to help with automaticity.

Your child has a log-in for Times Table Rock Stars so that they can practise their time tables at home.

The White Rose 1-minute maths app can also be used to practise number facts at home.

<https://whiterosemaths.com/1-minute-maths>

White Rose also have videos relating to the main Maths teaching. These can help you to see the methods that are being taught, or can be used as additional practice. They also have downloadable workbooks that can be used at home.

### Year 3

### Free Downloadable Workbooks for Year 1 – 6

[Busy Things also have some good games for times table recall practice, particularly miner birds.](#)

## Other important information/notes for the time ahead

### **Class Page**

You can access information, long term and medium term overviews as well as other resources on the class page on our website.

### **Reading Records**

Please date and sign yellow reading record when your child reads at home. Children reading 4 times or more get a golden ticket for a chance to win a book.

### **Library Day**

Our Library Day is continue to be on Fridays.

Please ensure your child has their book on these days. Automated emails are sent for overdue books. If you feel a book may be lost or damaged in your care, we ask for a donation to cover the cost of replacement.

### **PE Day –**

Our PE days are **Monday** and **Thursday** this term.

On these days, please ensure your child is wearing a loose-fitting top and shorts/jogging bottoms which allow them full movement of their bodies. Children should also wear suitable footwear such as trainers. Ear studs should be removed or covered with medical tape for health and safety purposes.

### **What does my child need to bring into school every day?**

- Bookbag with reading record and reading book inside. (Bookbags are then put into children's drawers. If you need a replacement bookbag, contact the office for the price.)
- Filled Water Bottle

### **Healthy Snacks for Playtime**

In the Early Years and Key Stage One, the children are provided with a free piece of fruit or vegetable via the Government scheme.

In Key Stage Two, children need to bring a piece of healthy snack for breaktime. This should be a piece of fruit or vegetable.

Ultra processed snacks are high in sugar, even those that are advertised as '1 of your 5 a day'. NHS advice states children aged 7-10 should have no more than 24g of free sugars a day. Due to the processing, reconstituting and reblending of ingredients to create fruit winders, these snacks contain high amounts of free sugars.

<ul style="list-style-type: none"> <li>• For Year 3 - 6, a piece of fruit or vegetable</li> <li>• Library book on library days</li> </ul>	<p><b>For example, Bear Fruit Yoyo, strawberry contains 8g of sugar. This equates to one third of the recommended daily allowance.</b></p> <p>For this reason, with consideration to Article 24 (children have the right to healthy food) we ask that these are not brought to school as they are not considered a healthy snack due to the high sugar content. It also creates littering problems with the excess packaging.</p>
<p><b>Summerwear</b></p> <p>Please ensure in this warm weather your child brings a water bottle daily, and that they have 8 hour sun cream already applied before school.</p>
