

Meet your teacher!

Hello! I'm Jess and I am very excited to be your Year Six teacher in September. We, of course, already know each other but I am really looking forward to becoming a part of Tiger Class and finding out more about you.

Year 6 is a really exciting year where we have the chance to draw together and extend all of your learning from primary school in preparation for your transition to secondary school. Although we work hard, there are still lots of opportunities to have fun including brilliant topics and class books, amazing trips including our PGL Camp and our summer production.

In your new classroom...

In our classroom, there are lots of resources that will help support your learning.

You can have monitor jobs in the classroom and school to help keep our space tidy, organised and running smoothly. If you are creative, you could be an art monitor!

You will feel safe and cared for in Year Six and I cannot wait to go with you on the journey.

About me

I have been a teacher for 17 years and I have taught mostly Year 6. It is a great year group to be in and I have always liked it. I enjoy spending weekends with my three children and husband who is a teacher too. I would love to have more time to read as it can transport you anywhere!

I really look forward to finding out about you in Year 6.
