As activists in Learn Together, we will investigate What impact Food Miles or Fast Fashion have globally.

## Rights Respecting Schools

This term we will focus in particular at these three rights:

Article 12: You have the right to give your opinion, and for adults to listen and take it seriously.

Article 14: You have the right to choose your own religion and beliefs. Your parents should help you decide what is right and wrong, and what is best for you.

Article 28: You have the right to learn.

## Home Learning

### Reading

It is our recommendation that children should be reading daily where possible. The expectation is that children read **a minimum of 4 times a week**.

### Year 6 Homework books

Each year 6 child has three books which contain dates and pages to complete. These will be checked every Monday in a Homework Surgery where children can bring questions.

### Spelling

Children are expected to log in to Spelling Shed and play the games set as Assignments by their teacher. A new spelling list and set of assignments will be set each Monday after followed by a spelling quiz the following Monday in school.

**The first spelling quiz will be on 11th November 2024.**

The focus for spelling patterns are found on our medium term overview (see above link). Please follow the link on the overview to see the word lists for each week.

**Maths****[TTRS for Key Stage 2](#)**

In upper key stage 2, children should continue to practise number facts to help with automaticity.

Your child has a log-in for Times Table Rock Stars so that they can practise their time tables at home.

The White Rose 1-minute maths app can also be used to practise number facts at home.

White Rose also have videos relating to the main Maths teaching. These can help you to see the methods that are being taught, or can be used as additional practice. They also have downloadable workbooks that can be used at home.

**Other important information/notes for the time ahead****Class Page**

You can access information, long term and medium term overviews as well as other resources on the class page on our website.

**Reading Records**

Please date and sign yellow reading record when your child reads at home. Children reading 4 times get a golden ticket for a chance to win a book.

**School Clothing Guidance**

Please see the [page on our website](#) for more information on appropriate clothing for school.

**Library Day**

Our Library Day is on alternate Fridays.

Please ensure your child has their book on these days. Automated emails are sent for overdue books. If you feel a book may be lost or damaged in your care, we ask for a donation to cover the cost of replacement.

**PE Day**

Our PE days are Wednesday and Thursday

On these days, please ensure your child is wearing a loose-fitting top and shorts/jogging bottoms which allow them full movement of their bodies. Children should also wear suitable footwear such as trainers. Ear studs should be removed or covered with medical tape for health and safety purposes.

**Lifskills Centre Visit**

**Tuesday 17<sup>th</sup> December**  
Separate letter to follow

**What does my child need to bring into school every day?**

- Bookbag with reading record and reading book inside. (Bookbags are then put into children's drawers. If you need a replacement bookbag, contact the office for the price.)

**Healthy Snacks for Playtime**

In Key Stage Two, children need to bring a piece of healthy snack for breaktime. This should be a piece of fruit or vegetable.

Ultra processed snacks are high in sugar, even those that are advertised as '1 of your 5 a day'. NHS advice states children aged 7-10 should have no more than 24g of free sugars a day. Due to the processing, reconstituting and reblending of ingredients to create fruit winders, these snacks contain high amounts of free sugars.

This equates to one third of the recommended daily allowance.</b></p> <p>For this reason, with consideration to Article 24 (children have the right to healthy food) we ask that these are not brought to school as they are not considered a healthy snack due to the high sugar content. It also creates littering problems with the excess packaging.</p>
