Introduction

Educate Together Academy Trust and the Local Governing Bodies (LGBs) of all our academies fully recognise and take seriously our responsibilities under section 175 of the Education Act 2002 to safeguard and promote the welfare of children. We are committed to working together with other agencies to ensure rigorous and robust measures within our academies to identify, assess and support children and young people who at risk from harm or who are suffering harm. This statement provides the overarching principles that underpin our approach to safeguarding and child protection. The policy applies to Trustees, staff, governors, volunteers, visitors, contractors, trainees and parents. This policy should be read in conjunction with each academies' Child protection and Safeguarding Policy which will reflect and detail the procedures, processes and priorities of each academy's Local Safeguarding Children Board. Educate Together fully recognises that safeguarding and promoting the welfare of children is **everyone's** responsibility. **Everyone in our organisation** who is in contact with children, their families and carers, has a role to play. Educate Together Academy Trust will safeguard and promote the welfare of children by:

- **Protecting** children from maltreatment.
- **Preventing** impairment of children's health or development including impairment of children's **mental and physical** health
- Ensuring that children grow up in circumstances consistent with the provision of safe and **effective care**
- Taking action to enable all children to have the **best outcomes**
- Providing a safe environment in which **all** children and young people can learn and flourish.
- Acting on concerns about a child's welfare immediately.
- Fulfilling our legal responsibilities to identify children who may need early help, who are suffering, or are likely to suffer, significant harm and acting immediately to protect and support them.

All action taken within our trust will be in accordance with:

- **Current legislation** (these are summarised within [Working Together to Safeguard Children: statutory framework](#))
- **Statutory, national, and local guidance – this includes:**

Ethos

The ethos of Educate Together is that all its schools and educational operations must be:

- Equality based
- Child centred
- Co-educational
- Democratically run

These four principles form the foundation for our policy and practice in relation to Safeguarding.

Equality based

In our approach to safeguarding, Educate Together Academy Trust recognise our duties under the Equality Act 2010 and our general and specific duties under the Public Sector Equality Duty. General duties include:

1. Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010.
2. Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
3. Foster good relations across all protected characteristics – between people who share a protected characteristic and people who do not share it.

We recognise that racism and other forms of discrimination are safeguarding issues. Preventing harm requires addressing and preventing all forms of systemic, institutional and individual racism and discrimination.

Child-centred

We believe our role and responsibility as educators is to provide a learner-centred education which ensures inclusion, not by treating all pupils in exactly the same way, but through the process of identifying and understanding individual needs and finding solutions to remove or reduce barriers. Understanding the whole child including any physical, emotional or mental health needs, special educational needs and contextual safeguarding factors that may make an individual more vulnerable to discrimination, abuse or poor outcomes and acting to prevent harm and promote best outcomes, is essential in our endeavour to achieve **equity** for all our pupils. Our child centred approach means:

1. Everyone working within Educate Together Academy Trust should always consider what is in the **best interests** of the child.
2. Ensuring children at risk of harm or who are victims of harm are **never** given the impression that they are creating a problem by reporting abuse. Never should a victim ever be made to feel ashamed for making a report.
3. Educate Together Academy Trust is committed to ensuring the voices of our children and young people are always heard, taken seriously and acted upon.

Co-educational

As part of our co-educational principle, we strive to:

1. Proactively develop anti-discriminatory practice within all our academies.
2. Create an environment, culture and curriculum which empowers our staff and children to challenge stereotypes and inequalities as well as actively promote and celebrate diversity in all its forms.
3. Equip our children and young people with the knowledge and understanding to keep themselves and their peers safe and healthy.
4. Promote a culture of respect, tolerance and reflection where each child's individual and unique characteristics are recognised and celebrated.

Democratically run

As part of our democratically run principle

1. Educate Together Academy Trust academies do not work in isolation, we promote strong collaborative practice and liaise closely with pupils, parents, external professionals and members of the local community, in order to establish safe and Inclusive learning environments and safeguard our children and young people.
2. We actively encourage children and young people in our schools to discuss, reflect and help decide on important issues that affect them in and outside of school through our Learn Together curriculum and Rights Respecting Councils.

3. We build strong teams around individual children who are vulnerable and in need through effective communication and collaboration with all involved.
4. We value the contributions made by all members of our Trust community and all who we work in partnership with to ensure the safety, welfare and best outcomes for **all** children.
